[Cbbe Face Texture Fallout 4](#)

All the body settings for the character are exactly the same (weight 100) in each photo.. UNP Skinny kind of gives your character an adolescent look:UNP Standard looks like a full-grown woman:UNP Blessed (popularly known as UNPB) is no longer publicly available because the creator got a lot of flak for creating such an unrealistic body.

So without further ado, here are mods that will significantly improve Fallout 4 graphics.

cbbe face texture fallout 4, cbbe skin textures fallout 4

I love the proportions of the UNP body, but my one complaint is the breasts – they point a little too skyward to look realistic at larger sizes.. I must admit, UNPB was not my favorite, but it's a shame that it was taken down for everyone who wanted to use it.. Let's face it, every Skyrim female body mod is about as "realistic" as the bodies you see in magazines.. The screenshots are NSFW so go be pervy at home Hehehe Even though the world of Fallout should feel like a nuclear wasteland, we can't help but feel like enough time has passed to introduce a bit more color into it or people that aren't dirty skeletal psychos or you knowtexture.

I personally think CBBE's breast slope looks more realistic than UNP The hips are a little softer, too.. But, hey, it's called "fantasy" for a reason, amirite? Here's my comparison of some of the most popular female body mods out there.

Fallout 4 Cbbe Skin TextureCbbe Face Texture Fallout 4 ModLet's face it, every Skyrim female body mod is about as "realistic" as the bodies you see in magazines.. Dimonized UNP female body [rating: 9/10]This mod comes in 3 different flavors – skinny, standard, and blessed.. CBBE Skinny looks more adolescent:Fallout 4 Cbbe Skin TextureCBBE Curvy looks like a full-grown woman:Sevenbase (7B) [rating: 3/10].. TL:DR; The best female body mod IMHO is CBBE Curvy *All the following photos are taken in the same location/lighting using a modified version of the Poupouri Morning Star ENB (less saturated, more sub-surface scattering).. You can still use UNPB if you install the Ningheim Race mod and create a Ningheim character, though:Caliente's Beautiful Bodies (CBBE) [rating 10/10]There are two versions of this mod – skinny and curvy.. But, hey, it's called "fantasy" for a reason, amirite? Here's my comparison of some of the most popular female body mods out there.. The screenshots are NSFW so go be pervy at home Hehehe Cbbe Face Texture Fallout 4 PackCbbe Face Texture Fallout 4 ModFallout 4 Cbbe Clothing ReplacerTL:DR; The best female body mod IMHO is CBBE Curvy. d70b09c2d4
